Yeoman Street, Surrey Quays

A remarkably bright south-west facing apartment on the top floor of Leeward Court with floor to ceiling windows throughout making the most of the already-generous proportions. Spanning 800sqft, the property occupies the end of the building allowing for a triple-aspect reception room which leads on to a spacious south-west facing balcony. The two bedrooms are more than adequate doubles, with the en suite master having built in wardrobes and access to its own separate balcony. Leeward Court was constructed by Higgins Homes less than 6 years ago and therefore this unit still has part of its New Build Warranty to run and is still presented in as high an order as when it was new. Lovingly maintained by the current devoted owners, the property makes a great home on the cusp of Surrey Quays.
