A Fantastic Opportunity

ERO is a collection of one and two bedroom apartments benefiting from an abundance of local amenities. Nestled into a leafy pocket of London, ERO offers a peaceful retreat from the busy metropolis, while the bustle of the city is less than twenty minutes away. This makes Streatham the ideal London neighbourhood to live in.

Property prices in the area have skyrocketed by almost 30% over the last five years outperforming most areas in London. Values in up-and-coming Streatham are predicted to rise yet further as investment continues streaming into the area.

Contemporary London Living

ERO is not only designed by award-winning architects, but is developed by them too. This ensures there is no compromise in design and experiential quality.

We are proud that ERO will be of the highest environmental standards with its use of sustainable materials, low carbon technologies and unrivalled energy efficiency.
