

MARLEY HOUSE

A collection of one and two bedroom apartments
and duplexes in the heart of Hammersmith

Marley House offers stunning, thoughtfully laid-out, highly specified apartments a stone's throw from the River Thames.

On the site of the former Southern Belle pub, these nine exclusive apartments have been carefully designed to maximize space and light. Seven of the apartments benefit from private outside space. Internally they are finished to a high specification with thoughtful attention to detail.

Seven of the apartments are registered with the Help to Buy Scheme. With a Help to Buy: Equity Loan the government lends up to 40% of the purchase price. You pay a deposit of 5% or more and arrange a mortgage of 25% or more to make up the rest. You won't be charged interest on the government loan for the first five years of owning your home.

WELCOME TO THE NEIGHBOURHOOD

Ideally placed for commuting into central London as well as enjoying all that Hammersmith & Fulham has to offer.

Fulham Palace Road runs from Fulham Road all the way to Hammersmith with its eclectic productions at the Lyric Theatre, rock shows at the Eventim Apollo and busy shops, cafés and global eateries on King Street.

At the southern end of Fulham Palace Road is Bishop's Park, which runs alongside the River Thames and is a hive of activity from rowers to runners, dog walkers to cyclists.

With only a short tube ride you can be in the West End enjoying a theatre production or at Westfield Shopping Centre indulging in some retail therapy. When it is time to travel further afield, Heathrow Airport is only 12 miles to the west and easily accessible by tube on the Piccadilly line or by car.

Fulham Palace Road has an extensive range of popular shops including Little Waitrose, Tesco Express, Prêt à Manger and Café Nero. Trendy gastropubs contrast with historic eating dens and independent cafes and restaurants serve the locals as they have done for generations.

The area is a foodies' paradise with a huge range of restaurants from the local, family-run to popular high street chains. The famous Michelin-starred River Café is a short walk away on the banks of the Thames and enjoys its legacy as one of London's most sought-after dining spots.

Locale on Munster Rd is a neighbourhood bar & restaurant serving up delicious Mediterranean-inspired food and to satisfy your caffeine and organic pastry craving you can't do better than the nearby independent COFX.

The beautiful Fulham Palace is a lovely afternoon out and houses a museum, a Tudor courtyard, a well-run restaurant and a busy gallery.

The adjacent Bishop's Park boasts an urban beach with a seasonal splash pad, rose gardens, an ornamental lake, numerous play areas, tennis & basketball facilities & a skate bowl.

There is a very popular farmers' market every Sunday.

The Crabtree Tavern is a popular spot to watch the annual Boat Race. It serves a constantly changing seasonal gastro pub menu and has a huge beer garden and outdoor BBQ for the summer.

For a traditional pub experience you can't beat The Pear Tree; a quintessential Victorian pub, still independently owned and one of the last Free houses in West London.

If you need to work off all that food, The Lillie Road Recreation Ground is a triangular shaped sports ground, which has multi-use grass space and a concrete multi-use games area for sports such as basketball and 5-a-side football.

You don't have to venture far to experience some of the best sports offerings in the city. The Queen's Club hosts the world-famous AEGON Championships in June. It attracts the biggest international stars of the men's game ahead of the grass-court Grand Slam event at Wimbledon two weeks later.

Football fans have a choice of not one but two local teams to support; Craven Cottage has been the home ground of Fulham F.C. since 1896 and Stamford Bridge is home to the most successful English football team of the 21st Century, Chelsea F.C.

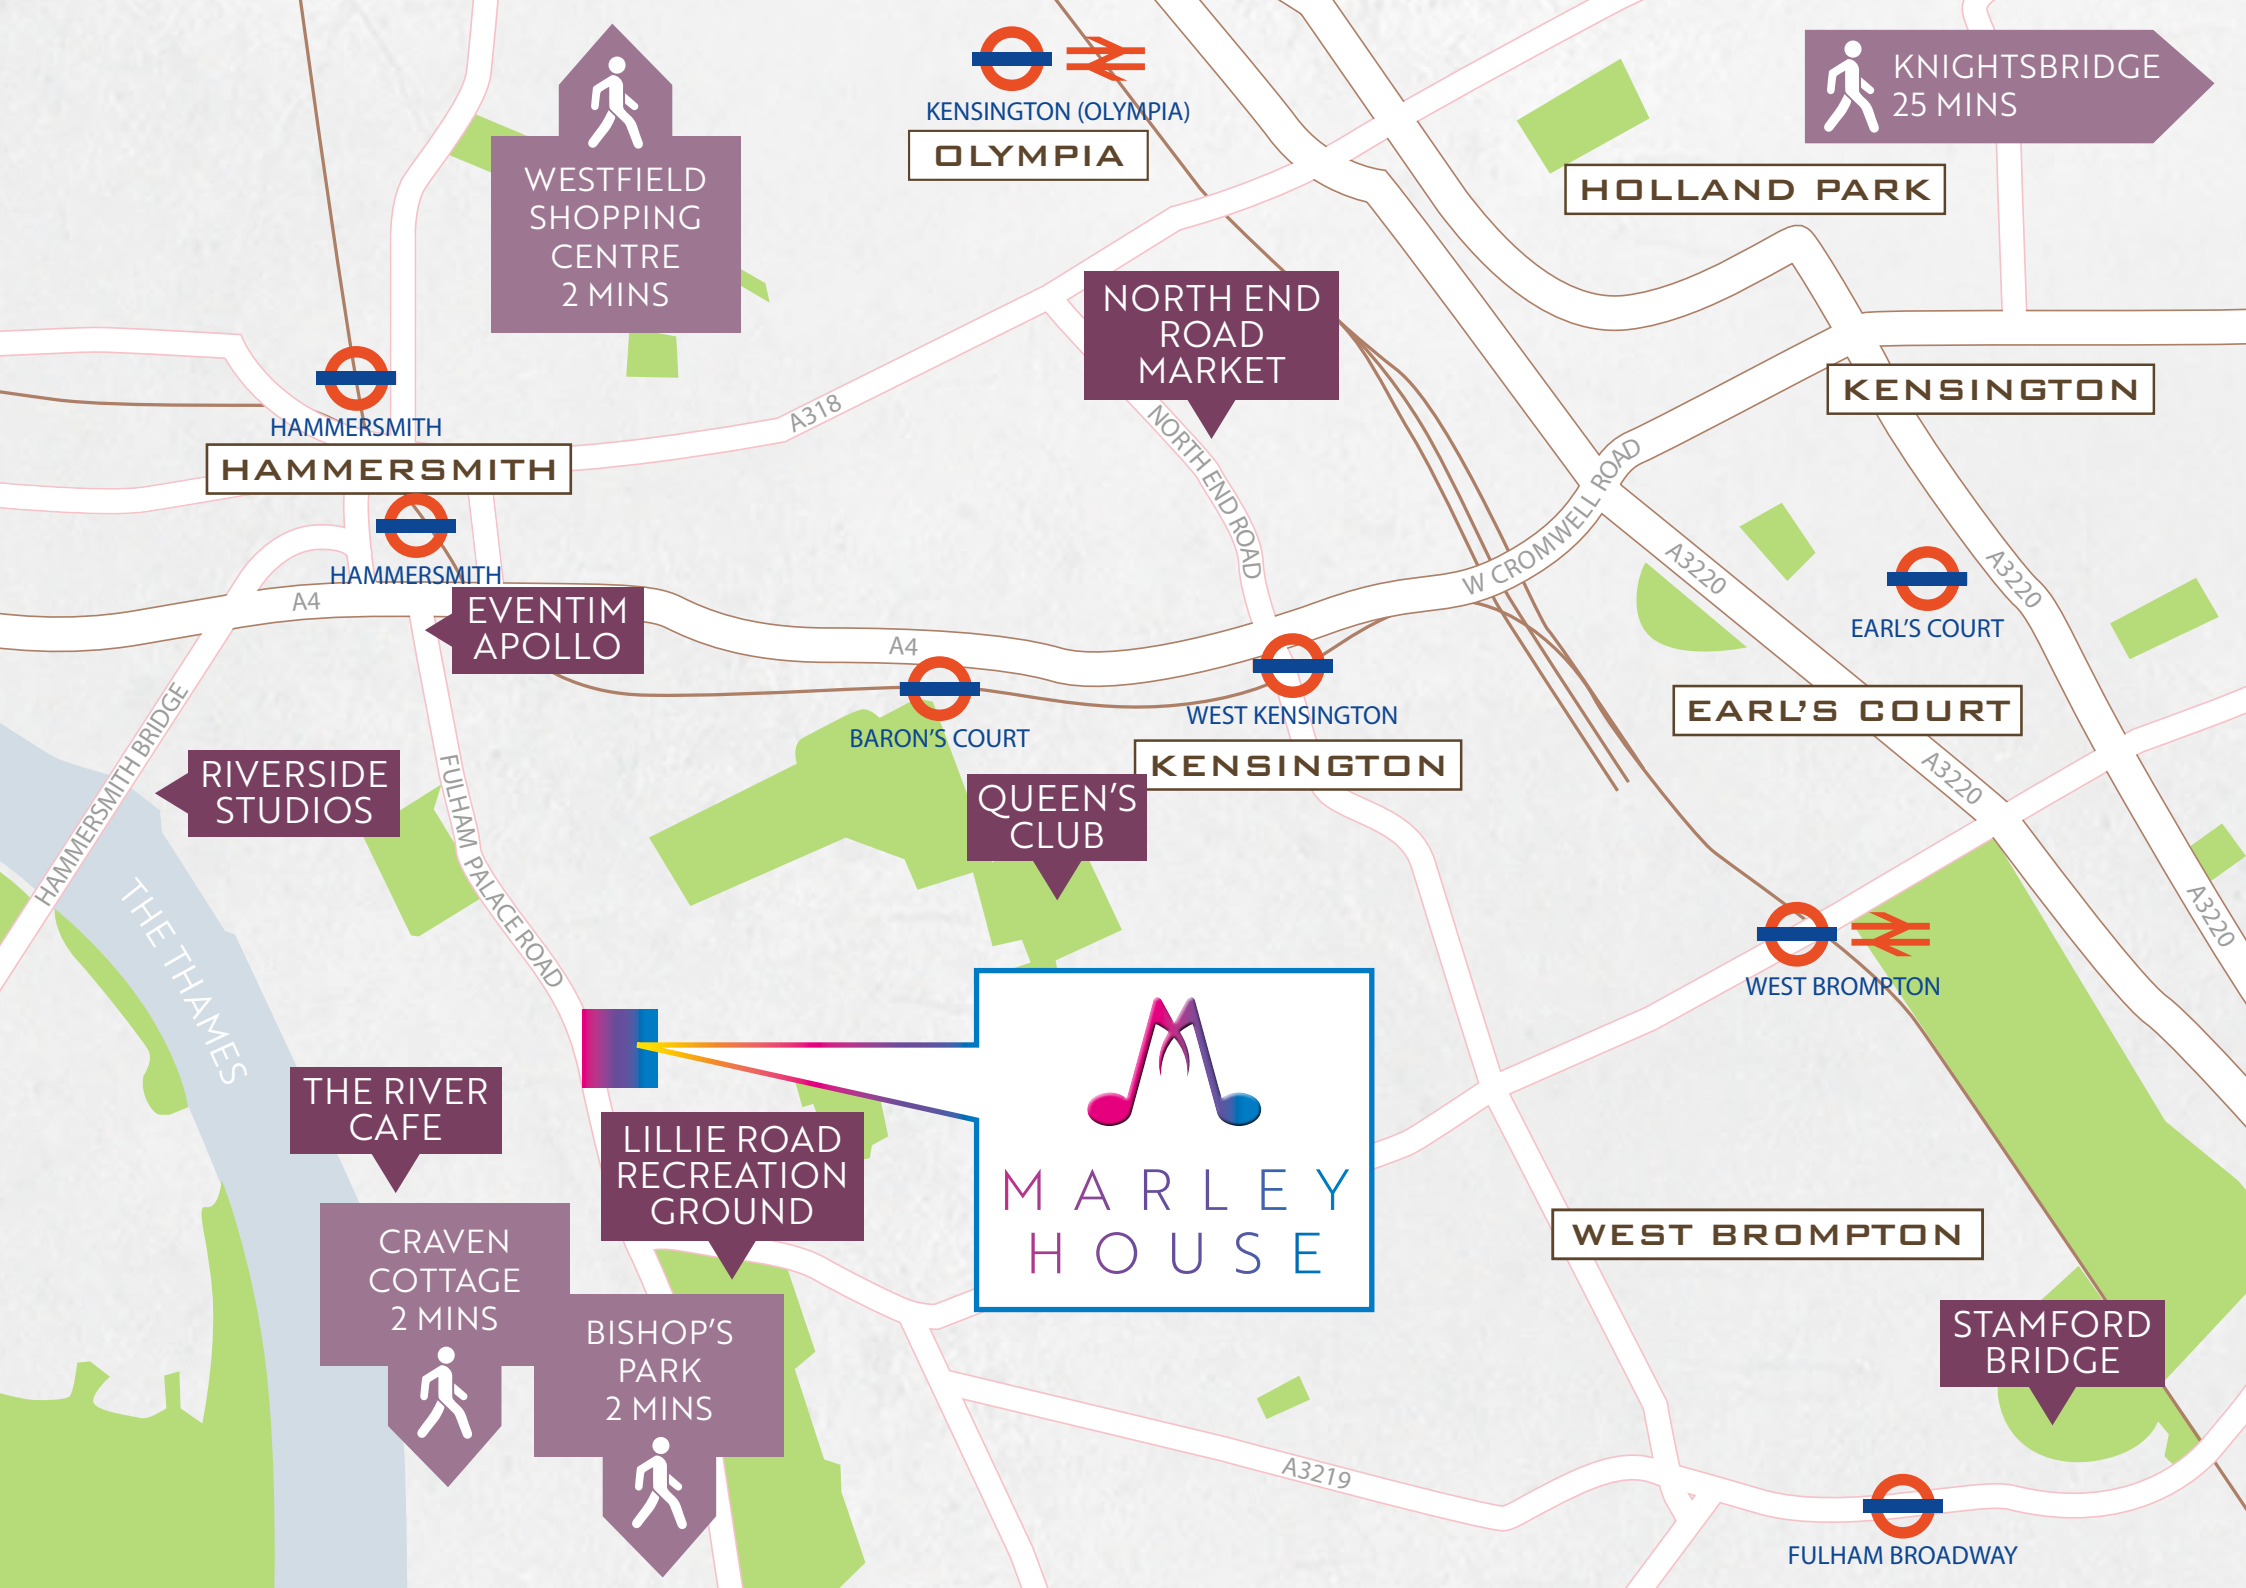

Charing Cross Sports Club's indoor facilities include a 25-metre swimming pool, three gym areas, group exercise studios, four squash courts, two badminton courts and a multi-sports hall.

For music lovers, The Eventim Apollo is one of London's main entertainment venues hosting huge stars including Oasis, REM, Stereophonics, Kylie and Elton John to name but a few.

Riverside Studios is West London's excellent riverside cultural centre with a cinema, West End standard theatre, cafe, and a comfortable bar with outdoor river terrace.
