A well presented two double bedroom ground floor apartment, with a private garden, in the popular Munster Village area of Fulham. The master bedroom has built in storage and the second bedroom is a good size too.

There is a modern bathroom and under stairs storage and a bright open plan kitchen reception opens on to a super private garden.

Sherbrooke Road is a stone's throw to the excellent shops, bars and restaurants on the Munster Road and is within walking distance to Parsons Green and Fulham Broadway underground stations (District Line). With no onward chain, a long lease and a motivated seller, early viewing is essential.
