Churchill & Mathesons is proud to present a newly built unit in North Acton.

The regeneration of this North Acton is already underway with the London Borough of Ealing having led this regeneration for the past ten years. Existing and planned developments include residential, significant amounts of student housing and retail uses which are expected to be joined by the development of employment uses and hotels either side of Portal Way.

With the unit being located on Rosebank Way, it is just off the A40 and within walking distance of North Acton station (serving the Central Line) and Acton Main Line (serving the Elizabeth Line). Thus, having maximum exposure from passing traffic and the local community.

The developers of this site will take into consideration the business of the future tenants, to build around their business needs. Future businesses cannot be a restaurant but a variety of other uses will be considered.

Yearly rent of £50,000 and a brand new lease with no premium attached.

Construction is planned to be completed in Q2 of 2024.
