Kings Lettings: Customer [TENANT] Charges (assuming VAT @ 20%)

The Following Charges apply to Company/Non-Housing Act/Lodging Tenancies – charges marked “#” may also apply to Assured Shorthold Tenancies:

Pre-Tenancy

Fee (for Agent Expenses*):

Self-contained Accommodation 54% of one month's rental Inc. VAT per named occupier (plus £30 + VAT for an additional named occupier in “shared” accommodation)

For example, if a property's rental is £750pcm, Kings' charge would be £337.50 + VAT (total £405)

If that same example property were to be 'shared' with two others, Kings' charge would be £337.50 + £30 + £30 + VAT (total £477)

Room/Bedsit (using a Lodging Agreement) £75 + VAT (total £90)

**Charge includes tenant referencing (not “fast-track” supplement), tenancy agreement production (fee shared with landlord), obtaining safety certificates, and any other ad hoc required pre-let works.*

“Kings' Price Promise” [not relevant to Assured Shorthold tenancies, where NO charges apply]; We promise to beat the agency fees you would pay with any of our High Street competitor Agents* for the same property, where a particular property is marketed by multiple Agencies at the same time.
