CALF ENTRY FORM

Beef
Assurance
Sticker

**NO STICKER
NO
ASSURANCE**

All calves must be 7 days old to travel to market.

Calves which have to travel over 100km (62 miles) must be over 10 days old.

PLEASE PRIOR NOTIFY CALVES WITH THE MARKET - IT HELPS US TO HELP YOU.

Calves cannot be accepted at Market if they have been offered for sale in any market in the previous 28 days. Please sign to confirm no prior market movement if calves are 35 days old or younger.

OWNER KEEPER DECLARATION

a) We have examined the stock and seen no signs of foot and mouth disease or other notifiable disease.

b) That the stock comes from premises which has had no movement of foot and mouth susceptible animals onto it in the previous 6 days (other than permitted exceptions).

c) That the movement complies with the relevant General License.

d) The registration number(s) of the livestock vehicle(s) carrying the stock is/are

e) I hereby declare I am the owner or the owners agent of the bovine animals described.

f) All listed calves have completed the specified withdrawal period from any medical treatments, unless stated to the contrary on the Food Chain Information statement over.

I hereby authorise GTH to contact SVS to determine my TB status if so required.

g) I/We warrant that **we are not knowingly selling a PI (BVD)** I/We warrant that we are not knowingly selling a PI (BVD) If a PI is discovered I/we will refund the purchase price. If we knowingly sell a PI I/we will refund the purchase price, expenses and consequential losses.

TB DECLARATION – FOR ALL CATTLE

I confirm my herd is subject to **1 or 4** (delete as appropriate) yearly routine TB testing. If calves are 42 days old & over (not counting day of birth) and from a one yearly routine TB testing herd, please answer the following:

FOR TESTED ANIMALS

i) I confirm the calves offered for sale have been pre-movement tested within the last 60 days. (Count first date of injection and date of sale).

Date of first day of test (please complete)

ii) I confirm that if my calves are subsequently found not to have been pre-movement tested as required, I will indemnify the purchaser for all his reasonable costs arising from any post movement testing which is imposed and any other purchaser of cattle whose cattle status has been affected by my selling untested calves through the "clean" market
