## **OFFER INFORMATION SHEET**

Propertyworld is keen to ensure that, if your offer is accepted, the sale progresses as smoothly as possible and, therefore, we will be grateful if you can fill out the form below with as much information as possible.

Our recommended & Independent Financial Advisor will contact you as part of our service to our vendor and helps us put forward your offer in the best possible light. There is no pressure to use them, but we strongly advise you listen to their free advice as it could save you £1000's.

Choosing a good solicitor can be the difference between a smooth transaction and a complicated purchase and we encourage you to consider using our recommended conveyancer (The Partnership). If you would like a quote, then please let us know.
