2019 Spring/ Summer

Herne Hill free film festival

The Herne Hill Free Film Festival came back to South London in 2019 with 23 free films across a range of venues in SE24. The festival ran from 2nd May to 1st

June with a programme that included some of the biggest films from 2019, screenings with a strong connection to the local area and a selection of both old and new releases that had the critics laughing, crying and gushing with praise! The Herne Hill Free Film Festival partnered with the Maudsley Charity, to help them promote positive change in the world of mental health and make a real difference to the treatment of mental health in our area, across London and throughout the UK. We were very proud to sponsor this wonderful event and look forward to doing it all again next year!

Goosegreen and Dulwich Park fairs

Pedder are proud to have sponsored Goose Green and Dulwich Park Fair again last year!

2019 Spring/ Summer

We had a fantastic day, offering free face painting and handing out balloons which proved a real treat with the children! It was a beautiful day out for all the family homemade cake to the Pimms' tent, fun fair to the Ponies from Vauxhall City Farm and loads of amazing food stalls, it really brought the local community together yet again. We hope everyone had as much fun as we did - see you there next year!

St Christopher's fun walk Volunteering

Pedder continued their support of St Christopher's Hospice by volunteering to set up for their Fun Walk which took place in May 2019. The Fun Walk, at Keston Common is a yearly event which helps raise money for the hospice. Pedder were delighted to have taken part in making it a success!

Dear Pedder team, On behalf of the patients, families and carers at St Christopher's Hospice I write to say a most sincere thank you for your kind donation of £1,000 towards the Learning Hub Campaign. physically active and mentally positive - both of which have proven benefit on a person's health, even for those with an end of life condition. We are pleased that, thanks to charitable funding from our supporters we are now training a number of volunteers who will be able to take patients through a physiotherapy programme in their own home.

This is made possible thanks to donors like you, for which we would like to pass on our deepest thanks.

all your hard work!! And thank you also for your help with the Raffle and for all the support you have given the school this year in terms of your sponsorship. It was one of our most successful summer fairs ever - we made £4,700 which is a fantastic amount for the school! The Raffle alone made over £1,500. We are all so pleased. It means we can go ahead with the improvements to the school's main hall that is desperately needed to make it a great performance space for the kids' assemblies and shows. Once again a massive thank you for making it possible!

2019 Spring/ Summer

Alexandra Junior School Summer Fair

Alexandra Junior School celebrated its 65th Birthday with a special 1950's themed Summer Fair. This was kindly sponsored by Pedder. The event was opened by long-term school volunteer, Joan Slaney, MBE. The sun shone on the fun afternoon and together we made a fantastic £2600 profit. This year the PTA have put the funds into the outdoor areas in the school, paying for new benches, playground games, water fountain and improving

the outdoor learning classroom to support the growth of AJS's very own Wild Flower Meadow! A big thank you to Pedder for all your support!

St Jude's Summer Fair

Another successful Summer Fair was held on the hottest day of 2019! A big BIG THANK YOU to everyone who came to the Summer Fair, braving the 34° heat to splat rats, hook ducks, dive into the jolly jars and take a chance on the lucky dip. Needless to say, sponge bob and the Year 5 water obstacle course were a hit – as were the ice lollies! The Nature Garden was a secret chill out area and many children relaxed with a YogaBugs session. Face paints by Pickle Pops were a must, as was

The highlight of the day was the burial of the Time Capsule by Executive Head Teacher Alison Moller and the presentation of the huge birthday cake which was cut by the Deputy Mayor of Lambeth, Councillor Philip Normal. The new bungee run attracted adults and children alike, while elsewhere there was fun to be had soaking a Year 6, playing Beat the Goalie, tackling the assault course, and sampling cakes entered in the Bake Off competition to mention a few. Over £4,000 was raised thanks to lots of enthusiastic volunteers, fantastic sponsorship from Pedder, and a visit from the London Fire Brigade. Funds raised have contributed to the refurbishment of the school playground, new educational play equipment, and experiences which will enrich the children's education. A huge thank you to Pedder for their continued support!

Dulwich Village Infants Summer Fair

Our Summer Fair. A result to be proud of. Together we raised £6,500 at the Dulwich Village Infants School Summer Fair 2019 and it was brilliant proof of how much the community supports the school. A notable part of the money raised came from the support of Pedder Estate Agents, who we partnered with for the boards and to who we are tremendously grateful. Thanks to this we were able to invest in newer attractions

alongside some old favourites. We welcomed 'Wild Fangs' for the first time who took over a classroom, to introduce the children to hissing cockroaches, a corn snake and an enormous Boa Constrictor. Thank you again to Pedder for making it all possible!

Judith Kerr School Summer Fair

The Friends of Judith Kerr Primary school Summer Fair was the most successful yet raising an amazing £5500! It

was a wonderful celebration of the school community, the magical green spaces and the Great British summer weather. The support and sponsorship received from Pedder was a big part of our success again - their continuing support is much appreciated. Thank you!
