Radnor Terrace West Kensington, London, W14

Price Guide: £1,600,000

This beautifully refurbished two-bedroom duplex apartment is arranged over the ground and lower ground floors of Bridgeman House, part of the prestigious 375 Kensington High Street development.

Spanning approx. 1,281 sq ft, the property has been upgraded throughout to a high standard. Renovations completed two years ago include a sleek new kitchen with upgraded Miele appliances (excluding the original fridge and microwave), wide-plank wood flooring, a Planika ethanol fireplace with bespoke alcove shelving, and Neatsmith fitted wardrobes in both bedrooms and the hallway. The flat has also been redecorated throughout, with new carpets and fresh paintwork.

The apartment enjoys a peaceful, inward-facing aspect over a landscaped courtyard, avoiding any exposure to the railway line. The ground floor features a bright, open-plan reception and kitchen, while the lower level offers two well-proportioned bedroom suites with access to a private courtyard patio — a rare feature in this central London setting.

Residents benefit from 24-hour concierge and on-site security, as well as exclusive access to a private gym, indoor swimming pool, spa, cinema room and business suite. Secure underground parking may be available by separate negotiation with the building's management or developer.

Ideally located just a short walk from Kensington High Street station (Circle & District Lines) and Kensington High Street itself, with its wide selection of shops, cafés, restaurants and green spaces — including Holland Park — all nearby.
