

**Forest of
Marston Vale**

Ashmore Estates

**are helping to plant trees in the Forest of Marston Vale
in partnership with Corporate Greetings UK.**

The Forest of Marston Vale is a charity and since the early '90s we've planted over 2 million trees in the 61 square miles of the Forest in Bedfordshire. Trees make life better for all of us – for people, for wildlife and for the planet and are our best hope to combat the climate crisis. Help us plant 5 million more.

**Trees
make life
better**
