- Gated Communal Grounds of over 20 acres ■ Tennis Courts ■ Communal Gym

This prestigious development by Honeygrove Developments was released exclusively through Richard Saunders and Company in 1998 and immediately proved very popular both with professionals and those downsizing from substantial houses.

Our clients made an early reservation, choosing this apartment for its abundance of space and light, considerable storage and the two roof terraces which enjoy South and West aspects. The views across the communal grounds and meadow are lovely and extend to the neighbouring Kingswood golf course.

Arranged over the second and third floors, the apartment is approached through a communal hall with video-entryphone, stairs and a lift which arrives directly opposite its front door. The property has all the space where it's most needed with a spacious sitting room, separate dining room and a large kitchen with ample room for informal dining. There are three double bedrooms, all with bespoke wardrobes and there's an ensuite to the principal bedroom in addition to a guest shower room. There are two store rooms too.

The large garage has power and a storage loft and there is also a designated parking space as well as visitors parking. The parkland grounds have many places to enjoy the rural tranquillity and there are two tennis courts and a gym.

Drive along an impressive long driveway, through two pairs of automated gates and you've arrived in one of Kingswood's most prestigious residences. Nestled on the edge of open countryside and between two golf courses, Eyhurst Park offers its residents a secure and private location with excellent accessibility.

Just over a mile away, Kingswood Village has local shopping, the Kingswood Arms gastropub and frequent rail services to London from its station. Reigate, Epsom and Banstead Village are all within a few minutes' drive and offer a greater choice of shopping and supermarkets and nearby the A217 provides an arterial route to London.

A few miles away, the M25 motorway at Reigate Hill (J8) gives access to the Nation's motorway network, bringing both Heathrow and Gatwick Airports, the Eurotunnel and coastal ports within easy reach.

High on the Surrey Hills, the area has venues for almost every conceivable sport, leisure and cultural pursuit including Kingswood's two golf clubs and tennis club, the RAC Woodcote Park Golf and Country Club, Epsom Racecourse as well as abundant open countryside for walking, cycling and horse-riding and many pubs, restaurants, local theatre and cinema.
