The village is known for St Peters Chapel, one of the earliest chapels still in use in England, its pre WW2 airfield and decommissioned nuclear power station. Bradwell Marina is situated on the Blackwater estuary and is ideally placed with easy access to Essex Rivers and cruising to the French, Dutch and Belgium coasts and benefits from a restaurant which is open to the public. The village also benefits from a primary school with just 25 admissions per year, and a shop with a post office.

The accommodation commences a porch opening to a generous and welcoming entrance hall which provides access to the ground floor cloakroom, bedroom four/study, the impressive 23ft lounge, dining room and the stunning newly fitted kitchen with granite work surfaces which opens up into a conservatory allowing plenty of light to shine through the kitchen space. The kitchen also provides access to the separate utility room and conveniently has an additional door through to the dining room.

The first floor is accessed via the staircase in the entrance hall which leads up to the landing with access to bedroom one which measures 23ft, boasts bespoke fitted wardrobes, an en-suite and terrace overlooking the rear garden, bedroom two which also benefits from an en-suite, bedroom three and a shower room.

Externally, the property sits on a plot of approximately 0.7 acres, with a well-maintained rear garden and a driveway to the front accessed via electric iron gates providing off-road parking for numerous vehicles. The property also benefits from CCTV and an alarm system.
