Flat 9, 144, Vulcan House Tooting High Street, London, SW17 0RT

£625,000

An executive apartment presented in outstanding condition offered to the market with a long lease and share of freehold. This is a rare opportunity as these apartments rarely become available to purchase. This small block of 14 flats was built just under 10 years ago and was built using traditional materials rather than the now ubiquitous wood frame construction. This has resulted in solid well insulated heat and sound efficient dwellings.

This home offers generous living accommodation featuring two equally proportioned double bedrooms with built-in wardrobes, two bathrooms [one ensuite] and a spacious bright lounge open plan to a modern and well-appointed kitchen. There are doors that open on to a generous terrace that is big enough to accommodate garden furniture, barbeques and a deck heater should it be required for those summer soirées. The contemporary design ensures that the property is not only aesthetically pleasing but also equipped with modern amenities to suit today's lifestyle. The semi-subterranean car park adds an extra layer of convenience, allowing for secure parking in a bustling area where space can be at a premium.

Situated on Tooting High Street, residents will benefit from an abundance of local shops, cafes, and restaurants, all within easy reach. The area is well-connected by public transport, making commuting to central London a breeze.

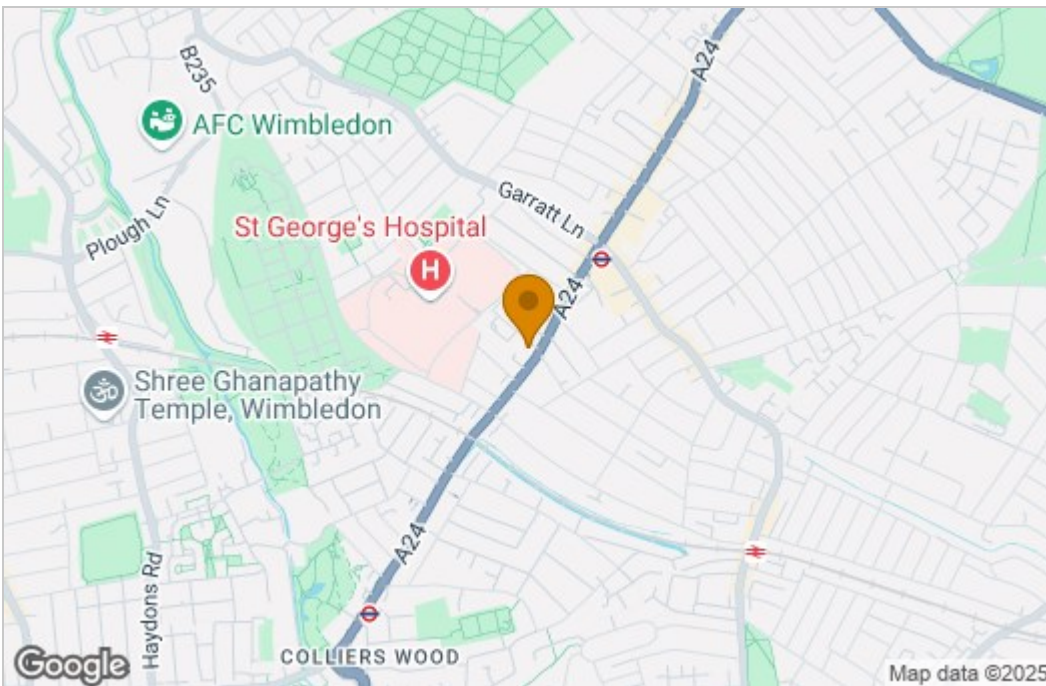

This property presents an excellent opportunity for those looking to settle in a lively community while enjoying the comforts of a modern home. Whether you are a first-time buyer or seeking a rental investment, this house is sure to impress with its blend of style, space, and location.
