Refurbished throughout to an exceptionally high standard, no expense has been spared in the detailing and specification that each room has to offer. Ground floor accommodation comprises a double aspect dining room and living area, featuring a gas-fireplace and bi-fold doors leading to garden. There is also a large, separate kitchen-diner with internal access to garage, as well as downstairs WC.

Upstairs consists of two large double bedrooms, both of which have fitted wardrobes, as well as additional bedroom/study space, and a gorgeous four-piece bathroom with separate walk-in shower and free-standing bath.

Finally, to the second floor comes a large master-bedroom, which features a Juliet balcony, walk-in wardrobes, further eaves storage space, and a truly bespoke, high specification ensuite bathroom with an impressive walk-in shower.

Arguably the most unique part of this family home is what sits outside in the garden, where the owners have built and designed their very own detached, barn-style pub, with gas central heating, electricity, plumbing and WC. As well as this, further along the garden comes a purpose-built home-gym, with lighting and electricity. Finally, towards the very end of the garden is a shed for storage space.
