The spacious and naturally light sitting room can host a wide range of seating and has a traditional brick fireplace at its focal point (electric fire). The well proportioned open-plan kitchen/diner is sure to please buyers seeking sociable entertaining spaces, or families with young children wanting free flowing accommodation. The kitchen includes a range of fitted base units with worktops, eye level display cabinets, a drainer sink and space for a freestanding cooker and fridge/freezer. The single storey extension flows seamlessly from the dining area, to either provide one large dining/kitchen/family space, or the potential for use as a playroom, office or defined second reception room, enjoying a pleasant outlook to the gardens. Moving to the first floor, you'll find a functional bathroom with three piece suite including bath and, unusually, three excellent size double bedrooms, ensuring there is room to grow with this super family home.

An access path continues down the side of the property, leading to the rear garden. Separate vehicular access leads to a driveway for up to three cars at the rear, as well as the single garage. The rear garden is of good proportions and landscaped in a similar manner to the front, for ease

of maintenance and providing great spaces for outdoor seating to soak up the afternoon and evening sunshine this westerly aspect provides. Flowerbed borders and a small deck to one corner, provide interest to gardeners, who will also appreciate the additional storage offered by a garden shed.

SERVICES:

Mains gas, electric, water and drainage are connected, and gas central heating is installed. The property is currently banded C for council tax, within Somerset Council. Ofcom's service checker states that external coverage is likely with four major providers, whilst Ultrafast broadband is available in the area.
