THE DWELLING

A detached thatched home which blends traditional charm with modern living with south facing rear garden and nearby to countryside walks.. Its striking stone and flint elevations under a beautiful thatch roof create a welcoming first impression.

ACCOMMODATION

Upon entering, you are greeted by a spacious and inviting entrance hall, offering ample storage space and leading to a convenient downstairs WC.

The light-filled sitting room has a dual aspect, creating a bright and airy atmosphere, with a feature fireplace as the focal point. Double doors open directly to the garden, providing a seamless connection between indoor and outdoor living.

The heart of the home is the modern kitchen/breakfast room, fitted with sleek gloss units that offer both style and practicality. This space flows effortlessly into the adjoining dining room. Beyond the kitchen, one half of the converted garage has been transformed into a versatile utility and games room, offering additional space with garden access, while still allowing the option to easily revert it back to a garage if needed.

Upstairs, the first floor features five generously proportioned bedrooms. The principal bedroom benefits from an en suite shower room. A contemporary family bathroom serves the remaining bedrooms, all finished to a high standard.

OUTSIDE
