Guide Price £200,000

Cornerstone is delighted to offer for sale this fantastic four-bedroom four-bathroom top-floor flat located in this brilliant location, walking distance to the University of Leeds, Leeds General Infirmary, and Leeds City Centre.

This spacious flat is situated on Clarendon Road which is a stone's throw from the many great amenities and services Leeds has to offer.

This extremely large flat is found on the top floor of this lovely, ornate, and charming Victorian building. It is our understanding this grand building was once a school and has now been converted into several flats. The property's position is elevated above Leeds and offers the most amazing views over some of Leeds and beyond.

You enter the communal entrance vestibule through a commanding door. On entry into the vestibule you can collect your post and a second door leads into a grand communal hallway with a wide and ornate staircase that leads up to the top floor and the entrance into the flat.

Upon entry into the flat, you step into a large hall that leads to the open-plan kitchen diner, and sitting room, it also leads to four double bedrooms all with en-suites.

This quirky, and unique flat has two of the double bedrooms situated inside a turret with exposed timber beams. Both of these turret bedrooms offer the most brilliant views through their Velux windows out over Leeds, and beyond.

The property is situated in fairly significantly sized grounds. The grounds comprise two car parks which offer plenty of parking. We understand it is first come first serve for parking. Behind the property, is a large grassed/lawned area with several trees. This garden area is perfect for sitting out and being enjoyed in the warmer months.

The property's location is truly brilliant being well-connected, surrounded by many amenities and services. It is a short walk to the University of Leeds which would make this property perfect for any parent buyer. Having Leeds General Infirmary, and the City Centre so close will also make it extremely popular among a first-time buyer and investors.
