Our Vendor Loves...

We love our bright and spacious flat and are sad that circumstances take us away from London and our home. We particularly love the large size of the rooms and the garden, a real unique gem that sets the place out from properties in the area. The close is lovely and quiet, with a good mix of families and couples and its location affords amazing access to the beautiful Crystal Palace Park, the National Sports centre and some great stations for easy reach into Central London and beyond.
